

Join us at Bradford Memorial Library for our Summer Reading Program:

How do I join? Sign up for the Children's Summer program by picking up your "Bradford Bucks" Bookmark at the library and filling out a registration card. Reading challenges are also available through **Beanstack**.

What counts as reading? You can read to yourself, read to someone else, or have someone read to you. You can read books, magazines, and comics; you can even listen to recorded books. Children will earn "Bradford Bucks" each time they check out books at the library up to \$10. Children must have their bookmark with them on each visit.

How old do I have to be? There are programs for kids from birth to those just having completed the 5th grade. Older kids can check out our program for teens.

Will I earn prizes for my summer reading? Yes! Children will be able to use the "Bradford Bucks" they earn all summer long to buy prize items from our Library Adventure Store.

Will there be any special programs? Yes!
